

MIDDLE EAST AND NORTH AFRICA SOLAR CONFERENCE (MENA-SC) 2023 DUBAI - UAE

CALL FOR PAPERS

DEADLINE EXTENDED UNTIL **JUNE 1st**

Calling on all Solar Specialists!

On behalf of the MENA-SC Committees, it is our great pleasure to announce the release of our first Call for Papers for the 1st Middle East and North Africa Solar Conference (MENA-SC) to take place from November 15 – 18, 2023 in Dubai. In line with DEWA's commitment, we take pride in inaugurating the path for creating a new opportunity for scientific exchanges, breakthroughs and networking in the MENA Region's largest prominent scientific platform for solar photovoltaic experts. **Online submission is extended until June 1st.**

مؤتمر الشرق الأوسط وشمال إفريقيا للطاقة الشمسية
**MIDDLE EAST AND NORTH
AFRICA SOLAR CONFERENCE**
15 - 18 NOV 2023 نوفمبر 18 - 15

As a scientific and technical conference, MENA-SC is a major stepping stone which focuses on all areas of photovoltaics with a rich programme featuring sessions about PV fundamentals, materials and devices, unconventional future technologies, PV reliability and forecasting for performance assessment. Areas extend to module and system operation, concentrated solar power and grid integration, all of which are key in accelerating the green energy transformation.

MENA-SC Online Proceedings will provide a fully accessible record with high search capability of the technical content. The publication process begins with a peer review of the abstract evaluation document (3 pages in length) alongside the short abstract which is required for each submission. The evaluation document template and all guidelines can be downloaded through the conference page: <https://www.mbrsic.ae/en/mena-sc/paper-submission-1/>

Acceptance of IEEE policies is required to register for this event. Transferring copyright is a necessary requirement for the publication of your abstract. Once you have received your acceptance notice, and during the submission of your final abstract, you will be contacted to sign and submit the copyright form

BE PART OF THE CHANGE AND SPARK UP THE GREEN TRANSFORMATION! SUBMIT YOUR ABSTRACTS NOW!

We look forward to personally welcoming you to Dubai for the 2023 MENA-SC.
